# Letter from CEO

**Dear Friends of Meals on Wheels Collin County,**

You are amazing! You are the Heroes of Hope.

Meals on Wheels Collin County (MOWCC) continues to impact senior hunger and isolation because of committed individuals, businesses, civic groups, churches, foundations, cities, first responders, and community volunteers who give of their time, talent, and treasure to support one of the most vulnerable populations ... our seniors. In 2022, MOWCC restored health, hope, and hospitality to our older neighbors. Since becoming CEO/Executive Director 6 years ago, I am committed to seeing that Meals on Wheels Collin County is no longer the best kept secret. I experience firsthand on my own meal delivery route the the impact of MOWCC upon the faces of those behind the doors who are our mothers, fathers, abuelas, neighbors, friends, disabled, widows, and veterans who have protected our country. Everyday seniors are expressing their appreciation for your caring hearts and generous support.

MOWCC honors the dedicated volunteers from interfaith and local communities who united over 40 years ago to ensure that no senior was left hungry or lonely within Collin County. In 2013, the Honorable Ray Ricchi led the core vision to see that older adults and disabled individuals would not have to choose between food, medicine, and shelter. Today, more than a million meals and well checks later, MOWCC successfully combats senior hunger and isolation while preventing premature institutionalization and hospitalizations. Because of you MOWCC keeps seniors in their homes, families, and communities.

I am proud to be a part of an organization that is more than a meal but a greater movement to save lives. To appreciate the impact of 2022 MOWCC I will acknowledge the 2020 -2021 (pandemic) as this was one of the most challenging times in the history of MOWCC. Let us take this opportunity to salute some of the champions who helped to sustain the mission in 2020 -2021 which led to MOWCC achievements in 2022. During the COVID 19 pandemic MOWCC seniors called daily to ask one question "Are you going to leave us? This was not an option for MOWCC operations as we executed an emergency disaster plan and high intensity crisis management to serve hand in hand with Collin County first responders and healthcare providers. MOWCC provided 633,058 daily lunches, weekend, and emergency meals while social distancing and c19 safety supplies for seniors. Our organization transitioned more than 300 seniors attending closing senior centers to daily home delivered seniors receive homebound meals.

During the Texas Ice storm disaster, the Collin County communities depended upon MOWCC to check on our rural senior neighbors. MOWCC sent out an emergency call to action and mobilized hundreds of volunteers who delivered over 1,000 emergency meals and water. Our Toyota North America partner provided MOWCC with storm fleet vehicles to maneuver the elements in hard-to-reach areas. Bank of America worked side by side with MOWCC Social Workers to conduct well checks. Fidelity Foundation, Texas Women's Foundation, Moody Foundation equipped 200 seniors with communication technology. As Farmersville Police Department delivered meals in rural areas with limited volunteers. The cities of McKinney, Frisco, Allen, Plano, and North Central Council of Governments Area Agency on Aging (AAA) provided MOWCC financial and senior safety net resources for their senior residents. St. Gabriel Church supported an awning so that our volunteers could safely navigate curbside pickups in bad weather and scorching heat.

# Letter from CEO Cont.

Board members Ryan Gebhart, VP of Baylor Scott & White McKinney Hospital and Tabitha South, Assistant Chief Nursing Officer at Medical City Plano helped guide our leadership through CDC and Health and Human Service regulations. While Board members Peggy Click, Brian Updike and the Jesus Christ Latter-Day Saints made Secret Santa possible for the seniors. Board member Doug Johnson, Emerson Operations Executive, came to MOWCC wearing a C19 animated mask and gave the staff laughs with a generous gift from Emerson. Board member Jennifer Haworth, Chief Marketing Officer at Globe Life was relentless in ensuring MOWCC had a successful direct mail campaign in addition to providing financial support for the Collin County seniors.

Anonymous faith donors from the formerly known Premier Foundation sent generous gifts and messages of encouragement to the MOWCC leadership. Constance Dentry an MOWCC volunteer took her dog Cinnamon with her on her meal deliveries to entertain the seniors as she served as the Chairman of the Stonebridge Charity Classic supporting MOWCC operations.

And the relentless Sheila Williamson with Haiman and Hogue, along with Renee Thornton, Emerald Cottages, the invincible McKinney Chamber Senior Service Alliance, and the Love Life Foundation made MOWCC the primary beneficiary of their powerful and creative community fundraisers. MOWCC continues to partner with outstanding local nonprofits North Texas Food Bank and Community Lifeline McKinney in the fight against senior food insecurity beyond the pandemic. The consistent daily prayers and letters of encouragement from our seniors and community still brings me to my knees with humility and reminds me of my purpose. I will continue prioritizing the needs of our seniors, remaining financially accountable and transparent while engaging the community at large in the mission of MOWCC.

On behalf of our incredible seniors and outstanding MOWCC team we salute you and appreciate all you do. We are a stronger organization in 2023 because of you.

**If you lose hope, somehow you lose the vitality that keeps life moving, you lose that courage to be, that quality that helps you go on in spite of it all. And so today I still have a dream.

# About Meals on Wheels Collin County

Meals on Wheels Collin County (MOWCC) is a 501(c)(3) nonprofit organization founded in 1976. Our mission is to combat hunger in disabled and older adults by providing nutritious meals, enabling them to remain healthy and independent within their families, homes, and communities. Meal delivery volunteers provide a friendly face and social interaction, helping combat isolation.

The organization also provides daily wellness checks, notifying MOWCC social workers of any health or safety concerns. Our Senior Safety Net program provides emergency medical support, incontinence and hygiene supplies, and durable medical equipment. Our long-term goal is to prevent premature institutionalization in long-term care facilities.

While hunger and isolation are our main concerns, our seniors struggle in multiple ways. Concerns such as lack of household supplies or food for pets impact our seniors. Some clients even struggle to have sustainable food during natural disasters or bad weather. This is our organization's passion. Our holistic services seek to provide for our seniors every time of the year. Because of our Secret Santa Program, seniors even receive gifts during the holiday season.

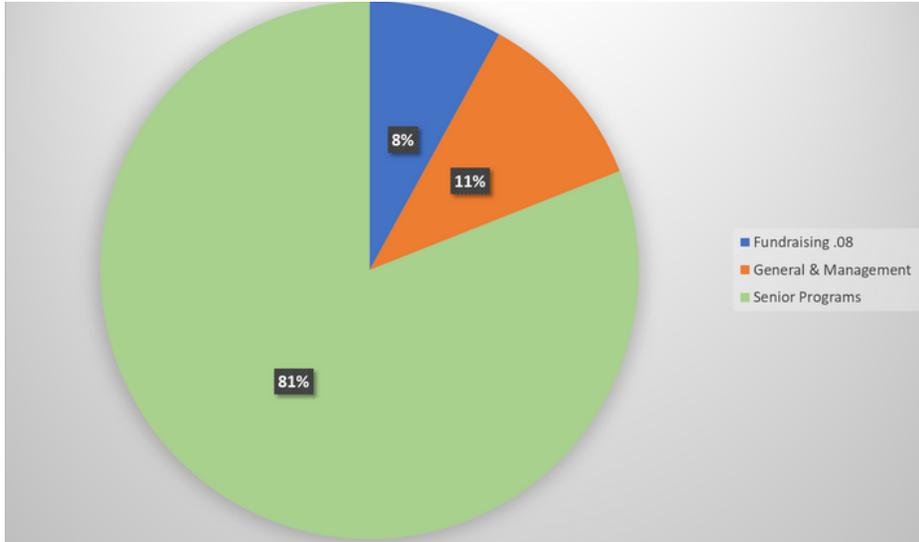

# Financials

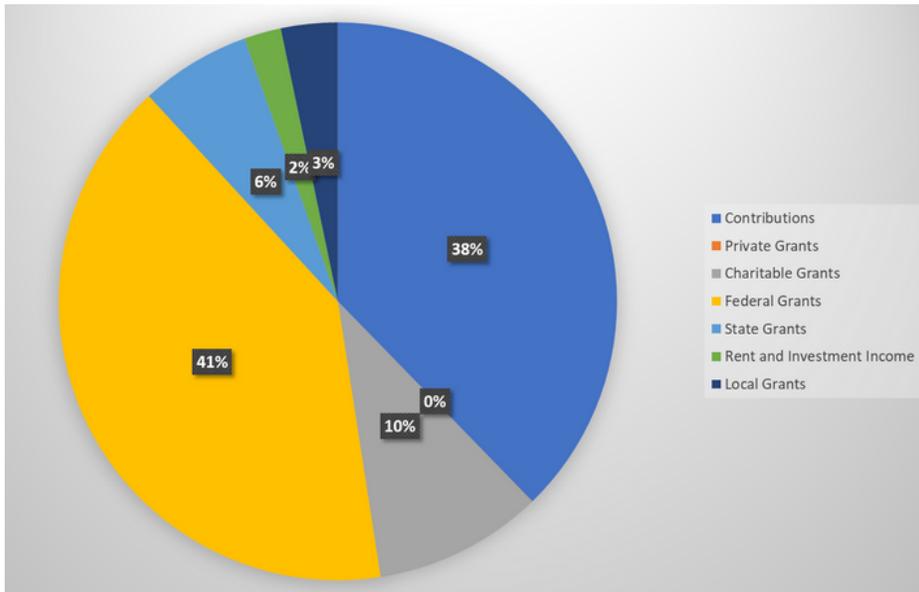

Meals on Wheels Collin County is committed to financial transparency and accountability. Our organization has earned a 4-star rating from Charity Navigator. You can be confident that we will be excellent stewards of your donations. Thank you to the list of talented individuals that helps achieve this goal.

# Volunteer Spotlight

**Sally H.** saw her chance to relax when retirement rolled around. Long days of doing absolutely nothing sounded nice for a change. That is, until Sally saw an advertisement to volunteer for Meals on Wheels on Facebook. She has been in love ever since. "The clients are just wonderful," said Sally "I felt like I was doing something important". Sally has been with the organization for nearly 6 years today. Making connections to isolated individuals is something that she strives to do at Meals on Wheels.

Sally started at the organization as a delivery driver. After some time in her role, she realized just how big of an impact she was making. Many of the clients Sally encountered as a delivery driver fragile or alone. "The delivery person might be the only contact they have for twenty-four hours," said Ms. Sally. She eventually graduated to the kitchen, where she assists in making hot, nutritious meals for these seniors.

While her time is mostly spent in the kitchen, Sally still makes special deliveries such as holiday meals or seasonal supply boxes. During these deliveries, Sally participates in delightful conversations with her clients. She loves checking on the well-being of these individuals.

We are very grateful to have volunteers like Sally H. with us. Thank you so much for all that you do.

Meals on Wheels Collin County is blessed to have Sally as a volunteer -- the seniors, even more so.

Our volunteers are the heartbeat of Meals on Wheels CC. Organizations such as Our Savior Lutheran Church and the volunteers below, ensure our seniors receive hot, emergency and shelf-stable meals.

# Volunteer Spotlight

Three years ago, **Pradipta S.** was searching for a way to give back to the community. At a local library, he found an opportunity to volunteer at Meals on Wheels. “I started out delivering food once a week,” said Pradipta. Eventually, once a week turned to thrice. Now, Pradipta works in both the kitchen and delivery role for Meals on Wheels.

When asked about what he admired most about delivering to clients, Pradipta said, “details”. He explained that many individuals are not mobile and cannot make their own food. “Every person is customized,” said Pradipta. With each client’s situation being different, this ensures that everyone receives the extra help they need.

When you first speak to **Robert W.**, you'll feel he's known you your entire life. You'll be greeted with a warm voice that lets you know how grateful it is that you called.

He tells you stories about his fifteen years with Meals on Wheels. Robert brags about how the volunteers "take care of Mr. Robert," no matter what.

**Robert W.**

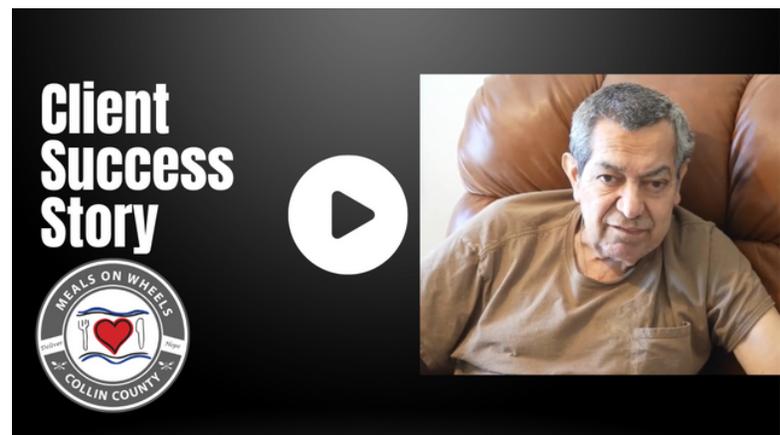

Health problems have been present in Robert's life for twenty-seven years. After some hard times and a painful divorce, he turned to Meals on Wheels for help. "The volunteers have been the greatest," said Robert. He continued to name every volunteer of his by name. Many of these individuals receive hand-written cards from Robert often.

While Robert loves the well checks and the friendly faces, he also loves the food. "My favorite meal has to be the vegetable lasagna," said Robert "or the spaghetti and meatballs". When Robert's friends curiously ask about Meals on Wheels, he recommends strongly that they apply.

Thank you, Robert. We are so happy to hear about the impact Meals on Wheels has made in your life. You've certainly made an impact in ours.

*Since getting Meals on Wheels, I could finally eat enough to have the strength to move around the house and do things I wanted. Having someone to talk to and share stories about the Bible and our life is so good. It really is the meals that have changed my life though. # Together, We Can Deliver the Solution

The needs of seniors are holistic as our strategies must be holistic. MOWCC will continue fulfill its mission in the face of new public health and economic challenges. In the future, you will see an increase in the capacity to serve with a new building, new volunteer training technology, meals site expansion in rural areas, partnerships with healthcare, EV meal transportation, senior advocacy with nonprofit collaborations, tools for senior empowerment and nutritional education, and regional fundraising. We will implement creative ways to identify volunteers, educate the public, and build relationships with corporations and business. The sustainability of MOWCC services is connected to the involvement of the community in the health and wellbeing of our Collin County senior neighbors. We are only as strong as our partnerships. – CEO EXECUTIVE DIRECTOR, Zella Tyson
